Additional Information: Revision of Rent Levels for Ikkyo-Ryo and Residence Hall Kunitachi

Thank you for your ongoing cooperation with the management of Hitotsubashi University Kodaira International Students Residence hall (Ikkyo-Ryo) and International Students Residence Hall Kunitachi (Residence Hall Kunitachi).

In order to continue welcoming students to Ikkyo-Ryo and Residence Hall Kunitachi in the future, and to maintain and manage both residence halls properly, we made revisions to dormitory room rent, as shown on the website. These revisions will only apply to students entering the university from April, 2019. Therefore current students will still be paying the original rent levels.

Residence Hall Kunitachi Single Room (shared type)	
Residence Hall Kunitachi Single Room (individual type)	11,179 yen
Ikkyo-Ryo Legally Married Couple Room	11,900 yen
Residence Hall Kunitachi Legally Married Couple Room

※Please note that the new rent will apply to students who will pay entrance fee in April 2019 (e.g. Current research students who enter graduate school in April 2019).

We thank you for your kind understanding in this matter.
