Revision of Rent Levels for Ikkyo-Ryo and Residence Hall Kunitachi

Thank you for your ongoing cooperation with the management of Hitotsubashi University Kodaira International Students Residence hall (Ikkyo-Ryo) and International Students Residence Hall Kunitach (Residence Hall Kunitachi).

The costs of maintaining Ikkyo-Ryo and Residence Hall Kunitachi in their present condition are exceeding the revenue excessively and it has become impossible to renew ageing facilities and equipment adequately. These costs are impacting essential funds for education and research of the university as a whole.

In order to continue welcoming students to Ikkyo-Ryo and Residence Hall Kunitachi in the future, and to maintain and manage both residence halls properly, we made revisions to dormitory room rent, as shown in the table below. These revisions will apply to students entering the university from April, 2019.

For students with economic difficulties, we are considering ways to provide support to a certain degree.

Room Type	Revised Rent	Current Rent
Ikkyo-Ryo Single Room	24,000 yen	5,900 yen
Residence Hall Kunitachi Single Room (shared type)	28,000 yen	
Residence Hall Kunitachi Single Room (individual type)	33,000 yen	11,179 yen
Ikkyo-Ryo Legally Married Couple Room	49,000 yen	11,900 yen
Residence Hall Kunitachi Legally Married Couple Room	58,000 yen	
Ikkyo-Ryo Family Room	64,000 yen	14,200 yen
Residence Hall Kunitachi Family Room	74,000 yen	

We thank you for your kind understanding in this matter.
