Courses

Course offer

The Faculty of Economics and Business Administration has a wide variety of courses in English. All details can be found in our programme catalogue: <http://studiegids.ugent.be/2017/EN/FACULTY/F/NVT/FEBMEB/FEBMEB.html>

Note: the exchange programme is composed out of all the English taught subjects at our faculty, in 5 different study fields in 2 different levels. Course schedules from the different study fields are not in accordance to each other!

Students who speak Dutch as mother tongue or who hold a certificate of level B2 in Dutch can also select courses from the Dutch programme, if they meet the course requirements.

Students can also take courses taught at other faculties (max. 40% of your total ECTS in the LA) if this faculty agrees.

Course load

We can only accept academic valuable learning agreements of minimum 24 ECTS/semester. **Important: the group of subjects that would normally be completed at the sending institution (and which will be replaced by the study abroad) should also amount minimum 24 ECTS (= table B of the LA)!**

Course requirements

If you wish to attend one of the courses, make sure to meet the course requirements:

<http://www.ugent.be/eb/en/exchange-students/course-requirements.htm>

Course registration

The formal course registration needs to be done during the first two weeks of the academic semester. Students will receive all information about registration during the Welcome Days, just before the beginning of the semester.

Taking master courses for bachelor students

Bachelor students might be allowed to take a master course if they can proof they meet the initial competences and the course requirements of the specific course.

Exams

The evaluation can be based on permanent and/or periodic evaluation. In case the final evaluation is based on several partial evaluations, only the final total grade will be mentioned on the transcript of records.

Students are automatically registered for exams and re-sit exams. There's no extra subscription or payment necessary.

There is no possibility to take exams from abroad or before the official exam period.

Grading

Exams are graded on a 20 point scale. A student with a score of at least 10/20 obtains a credit for that course, with the number of ECTS-points associated with the course. Every student is entitled to two examination opportunities per course per academic year.

For grade conversion, we refer to the Egracons Grade Conversion Tool: <http://egracons.eu/>

Language requirements

A good knowledge of Dutch and/or English is essential for studying at Ghent University. **Exchange students** need to provide one of these language certificates:

A statement from your international office/English teacher is NOT sufficient!

www.UGent.be/en/teaching/admission/exchangestudent/laaguagerequirements.htm

To follow courses in English at the Faculty of Economics and Business Administration **level B2** is required.
