

Pre-Registration Sessions for HGP Courses

Hitotsubashi University Global Education Program (HGP) offers interdisciplinary courses designed for both international and Japanese students. The courses are conducted in English, and they offer in-depth learning experience in various fields including Business, Economics, Law, Sociology, and Japanese Affairs. The program is open to all students at Hitotsubashi.

HGP Website :

<http://international.hit-u.ac.jp/jp/courses/hgp/index.html>

Due to the **limited number of enrollments available**, a student who wishes to register for any of those three courses below **MUST** attend the mandatory pre-registration session of the course. Those students who are allowed to register for each course will be determined at this session.
