Private Housing:

There is a large amount of available housing in Barcelona, but it can be relatively expensive and it takes time to find. Looking for an apartment on your own requires knowledge of the different areas (barrios) in Barcelona because prices can vary substantially from one area to another. **It is highly recommended that you plan to arrive in Barcelona at least one week prior to the start of your programme to locate accommodation.** With this in mind you should book a room in a hotel, hostel or student residence for this initial period before arriving. Investing this time to look for housing in person will help ensure your longer-term accommodations are of a reasonable price and standard of comfort. **The neighbourhoods which are most popular with Esade students are Gràcia, Sant Gervasi, Sarrià and l'Eixample; Les Corts and Sants are also conveniently located.**

NON-ACADEMIC INFORMATION

Once nominated, students will have access to Esade's international student handbook, which offers more detailed information non-academic issues such as housing, visas, medical contacts, health insurance etc. For any other non-academic matters, students should contact the Esade International Student Advisor:
