- Before applying for the lottery, check the following course registration rules carefully.

1. Applicable Lottery Courses

To check if a course is a lottery course, refer to the syllabus on CELS.

→ Go to **“Syllabus”** > **“Search for Specific Items”**

Lottery courses are indicated with a “○” symbol in the “Online Registrator Lottery” section. (You can also use a search function to find courses subject to lotteries.)

2. **“学士課程ガイドブック”** (For Undergraduate degree-seeking students)

3. **“学生便覧”** (For Postgraduate degree-seeking students)

4. **“Course Registration Guidelines for Exchange Students and MEXT Japanese Studies Students”** (For Exchange students and MEXT students)

Information on WEB Lotteries (2)

- **You can change/add/delete your choices as many times as you wish** during each entry period only. (Be sure to **confirm details of your registration at the end of your operation**.)
