TRANSCRIPT OF RECORDS

Most classes are taught in French; 30 modules are taught in English, 2 in Spanish and 2 in German. B2 level in French is necessary to take classes taught in French. Students who take English-taught classes (including our Certificate of European Studies (CES) programme) must make proof of a B2 level in English. No prior French language skills are required for students who take all their classes in English.

We offer a French language pre-semester course at the beginning of each semester at no additional cost. French language classes are also on offer during the semester.

Sciences Po Strasbourg offers exchange students a wide choice of modules in subjects including Political science, Sociology, International relations, Contemporary history, Economics and business, Law and Modern languages : https:// www.sciencespo-strasbourg.fr/international/venir-etudier-asciences-po-strasbourg/venir-etudier-a-sciences-postrasbourg-pour-un-semestre-ou-un-an

Students on exchange at Sciences Po Strasbourg must take a majority of their modules at Sciences Po Strasbourg. Up to two modules may be taken at another school/faculty within the University of Strasbourg (subject to prior approval by the school/ faculty concerned). No modules may be taken from the Faculty of Psychology.

Exchange students need to take a number of classes allowing them to obtain between 6 and 33 ECTS per semester. Some modules have a restricted intake. Pre-registration may in that case be required.

The number of ECTS credits awarded for each class depends on the number of contact hours and the amount of work expected from students. Most classes are credited with 3 or 6 ECTS.

Grades range from a minimum 0 (zero) to a maximum 20 twenty). 10 (ten) is the minimum passing grade. As compensation occurs for regular degree-seeking students, it is not uncommon for good students to obtain a grade below 10 (ten) for one or several module(s).

The original transcript is sent free of charge to the student's permanent address and to the coordinator of the home university in early March for semester 1 exchange students and in early July for semester 2 and full-year exchange students.
