A Student status overview

Degree-seeking

Exchange student

- applying for reduced tuition rate,
- applying for scholarship designated for international students,
- applying for on-campus housing as an international student, and
- services designated for international students (such as writing tutoring services).

You must maintain good **Student Status**

- Degree-seeking/Research students: Must make progress toward graduation**
- Exchange students : Register for 6 or more “class periods” (Koma) per week**
- Exception: Grad exchange students with research advisor are treated as A).**

A Student status overview

Degree-seeking

Exchange student

If you entered Japan without **Student** status
(i.e. “Temporary visitor” status),

It is **illegal** to be a registered HU student with “Visitor” status.

Apply for change of status at

Immigration Bureau (Tachikawa Branch Office)

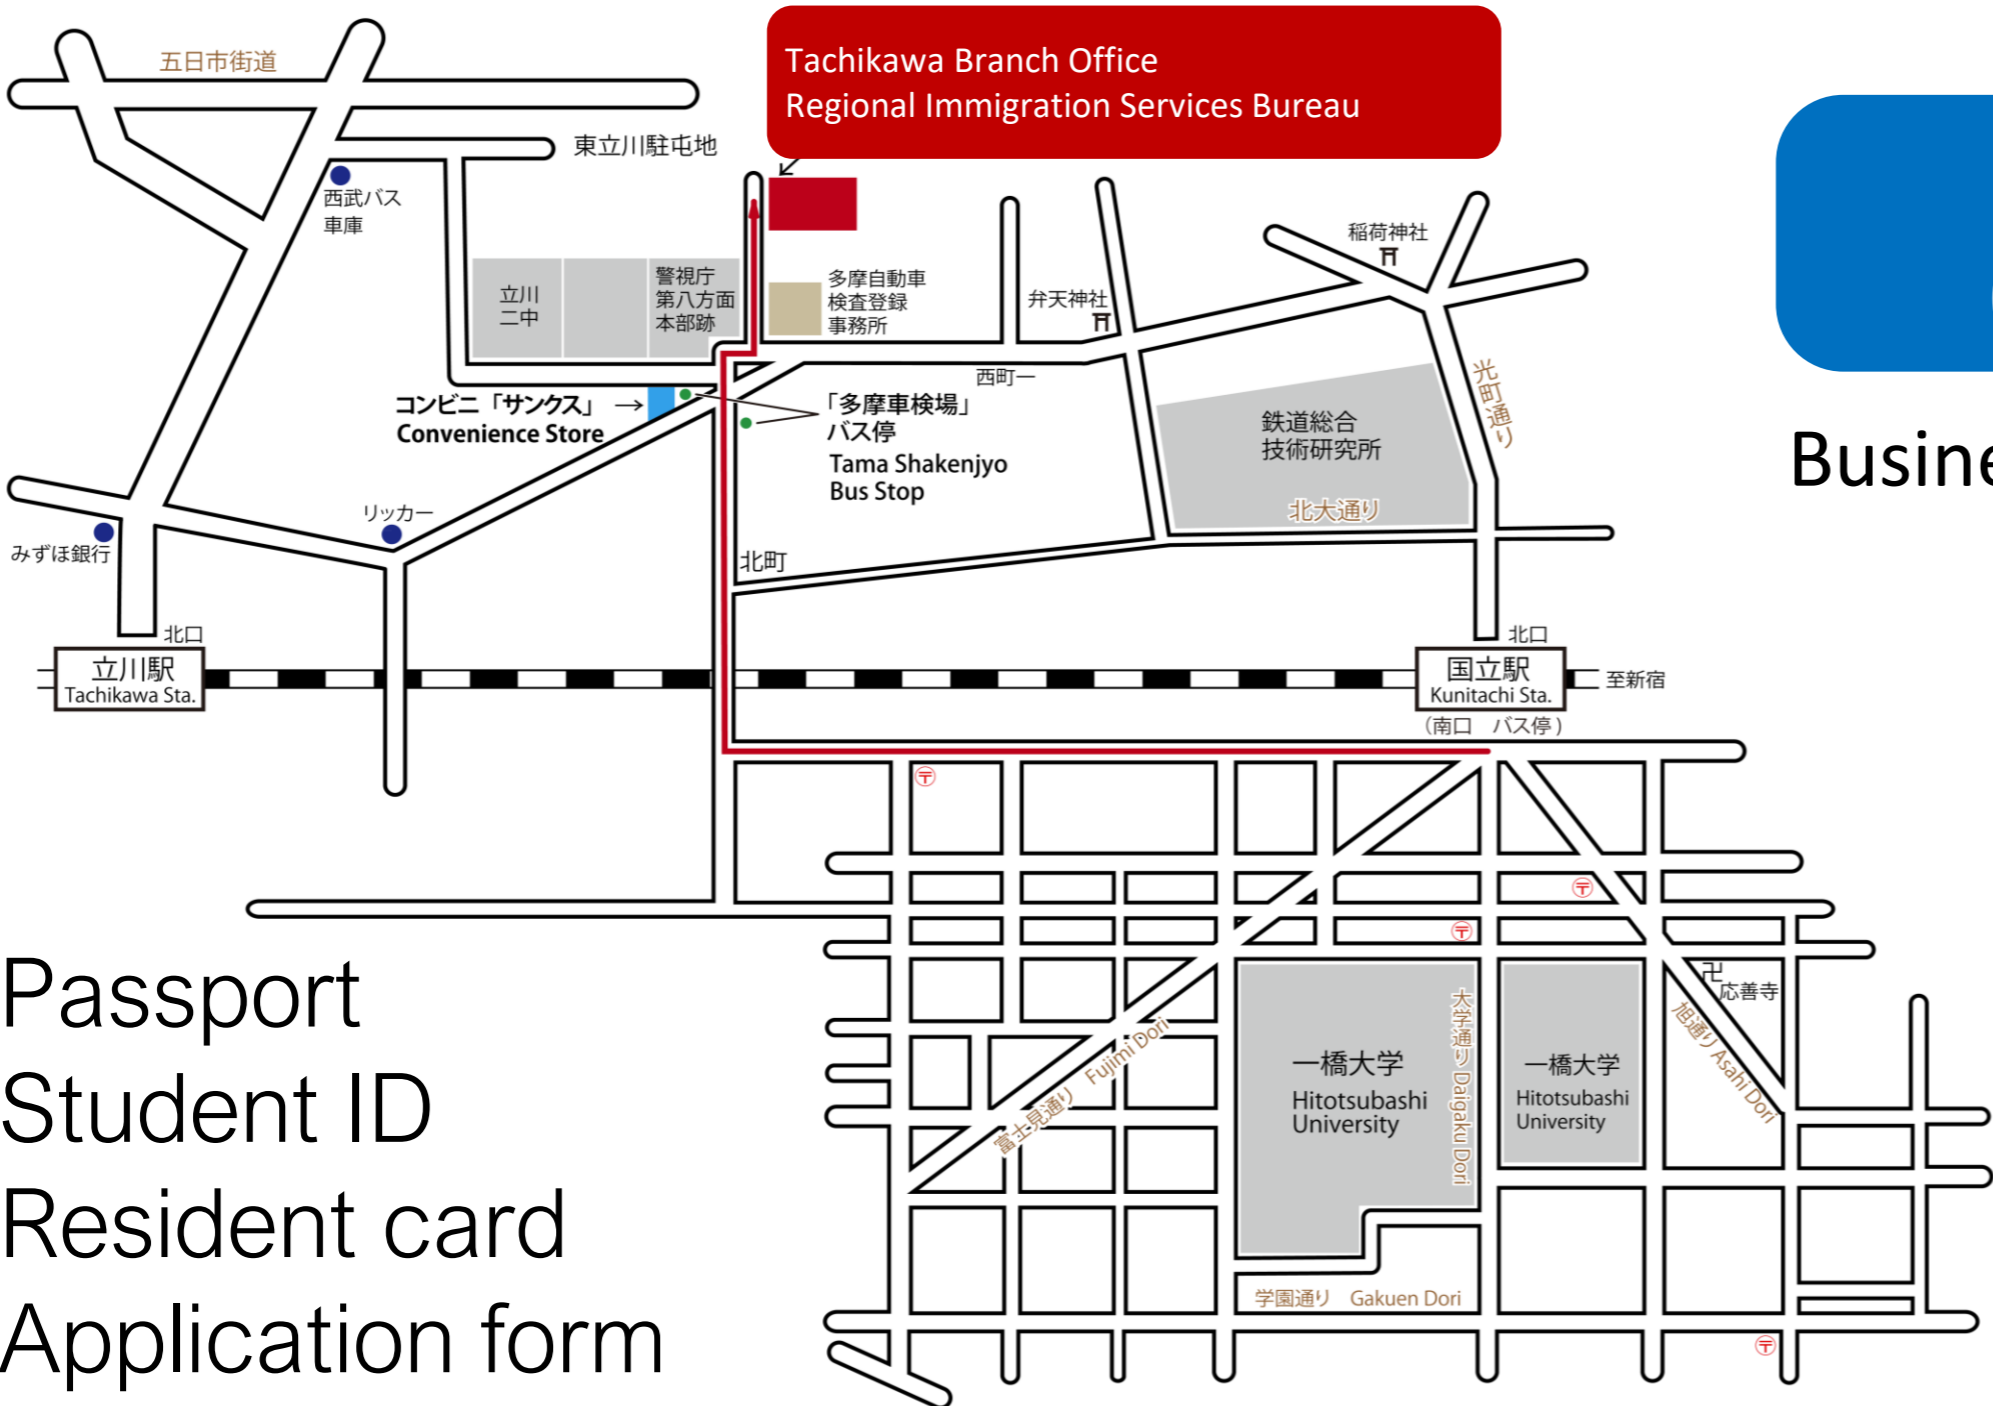

Immediately.

✘ The change of status from “Temporary Visitor” to “Student” may require an applicant to return home and re-enter Japan as “Student” status with a valid Student Visa.

Post-graduation status

B Extension of your status

If you have **Student** status from schools other than HU,

Apply for status renewal

at

Immigration Bureau (Tachikawa Branch Office)

 Overstay (beyond expiration of your status) **will result in out of status and is subject to deportation**

B Extension of your status

If you need to **extend** **Student** status while enrolling at HU,

Apply for

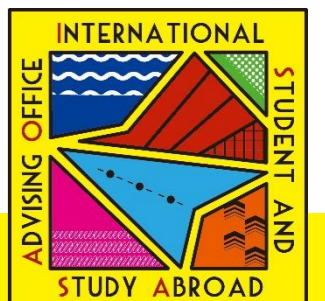

Extension of status

at

Immigration Bureau (Tachikawa Branch Office)

before the status expiration date

***Start applying 3 months before expiration**

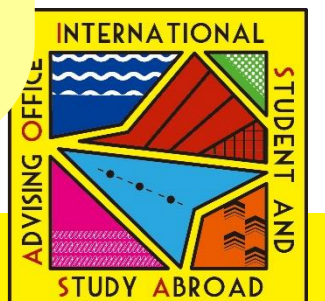

B Extension of your status

Extension approval depends on
Applicants' academic performance!

Extension requests denied due to:

- Poor academic performance
- Lack of credit hours earned
- Lack of progress toward graduation
- **Working part-time beyond legal limit**
- Unlawful or illegal conduct
