

Exchange AT SSE

The Stockholm School of Economics (SSE) is ranked as the best business school in the Nordic and Baltic countries. SSE educates talented people for leading positions in the business community, politics, NGOs and the public sector, and has done so since 1909. Our school has earned a reputation for excellence, both in Sweden and around the world.

WELCOME TO THE STOCKHOLM SCHOOL OF ECONOMICS

All education relies on relevant and current research, and the high quality of SSE's programs can be maintained because of its collaboration with Swedish and international corporations as well as its dedicated professors and researchers. Further evidence of SSE's high quality is the School's EQUIS (European Quality Improvement System) accreditation, which warrants that all degree programs and research are of top international standard.

NOMINATION AND APPLICATION

Nominations will only be accepted through our official online form. The nomination link will be sent once the nomination period has opened. Please note that students that have not been nominated online will not be enrolled in our program.

ACADEMIC CALENDAR

The Academic Year at SSE is divided into two semesters, a fall semester, and a spring semester. Each semester is divided into two teaching periods, where periods one and two are placed in fall and periods three and four into the spring semester. Exchange students can only apply to semesters not periods, however if you have students that are interested in only coming for one period please contact the Exchange Office.

Check the academic calendar for up-to-date semester dates and times [here](#).

For incoming exchange students the semester starts a couple of days earlier with a mandatory introduction to SSE, Stockholm and Sweden. For Fall Semester 2026 the Orientation Day will be on August 21, for Spring Semester 2027 it will be on January 18 (dates are subject to change).

Examination Dates

Examination dates can be found in the academic calendar and are typically placed at the end of each teaching period.

ACADEMIC INFORMATION

English language requirements (effective for all new and renewed agreements from 2025 onward): Students must demonstrate English language proficiency corresponding to at least B2 level. It is the responsibility of the home university to ensure that students meet the requirements.

Course Format: Typically on site and in person. Exchange students are requested to stay until the end of their scheduled exams. No special early exams can be arranged. Arrival can be made up to 2 weeks after the beginning of the first course.

Course Registration: Please find our list of current courses available, these are subject to change. [BSc level](#) | [MSc level](#)

The course registration will be open between May 6 - May 20 for the fall semester and November 26 - December 10 for the spring semester. These dates are subject to change, and will be updated in the academic calendar.

Workload: Exchange students are able to take courses corresponding to 30 ECTS; i.e. 15 ECTS per teaching period, this typically amounts to two courses per teaching period.

Transcripts: Transcripts are available 2 months after the final exams. Student are invited to download their transcript directly on the internal portal. An original copy can be sent by post upon request.

PRACTICAL INFORMATION
